**Title:** *Life of Reflections*

**Medium:** *Hardwood, Epoxy, Acrylic Wall Sculpture.*

**Description:** *You ask why such a bold sculpture. Well, it's*

*all about the incredible beauty and diversity of the forests. It is our connection with nature, our responsibility to nature to the world. To destroy our forest is to destroy ourselves. We depend on it as the forest now depends on us for its very survival. What this means is I believe in a sustainable forest; if you remove a tree, you replace it with two trees. I plant at least three trees yearly to replace the wood I use in the carving shop.*
