Our Pace stick or drill cane displays are all custom designed for our customers. We will work with you to design the display you need for your family heirloom. Or select one of our standard copyright designs such as the Maple Leaf design.

Designed to allow the user quick access to your Stick or Cane for Military / RCMP parades.

We are a family of artists and can create just about anything. Think outside the box!

Gary is a Canadian Military Veteran turned artist after serving 35 years for Queen and Country.
